

"SUNNY DAY" MASK TEMPLATE

SUPPLIES

- Paper or construction paper
- Scissors
- Clear tape
- String or ribbon
- Crayons and decorating supplies
- Single hole punch (optional)

INSTRUCTIONS

- Color and/or decorate the mask any way you like!
- Carefully cut out the mask, eyes, and beak.
- Fold the beak in half along the dotted line.
- Line up the black triangles and tape the beak onto the mask.
- Poke holes through the small circles with hole punch or pencil (put tape on the circle before making the hole to make it stronger).
- Tie string or ribbon through the holes.
