FOLKWAYS FJ 2865

the Rock and Roll sound of Louisiana and Mississippi

With AL WHITE AND HIS HI-LITERS and others

Introduction to Album On Al White and His Famed HI*LITERS This entire Album was PRODUCED by LYNN'S PRODUCTIONS AND RECORDED AND ENG INEERED AT COSIMO'S RECORDING STUDIO 521 GOV, NICHOLLIS, NEW ORLEANS, LA. BY COSIMO himself when many consider to be one of the best in the business.

This band was erganized under the supervision of Al White and Dave Bonds in 1958 and was named the HIXLITERS BY THE late FRANK DAVIS OF BATON ROUGE, LA. This name has became a familiar symbol around the music circle.

This band he one of the most unusal group to be found in the recording business. It is amazing to watch this band come home off a road tour, grab a sandwich, scramble to the studio record a session and race to the next job which may be anywhere in the nation. They work with such precision until it is almost unbelieveable. Each member has a great love for music and will play hard under any and all conditions. They can back any rock and roll show on the road today. They keep up with all the latest records as soon as they are released.

They have traveled with such ARTISTS as The LATE GREAT SAM COOKE, IRMA THOMAS, SHIRLEY AND LEE, JIMMY REED, CHUCK BERRY, and many mere, and have performed in major clubs throughout the nation.

Immediately after this band was fermed, there existed the problem of not enough money to properly operate. Unlike most bands they didn't seem the local clubs in NEW ORLEANS for work, because at that time work was too hard for bands to get. We one would even listen to us even after Mr Cosimo had tried so hard to help. nevertheless Al white and dave bends, who also is a song writer, kept pounding on recording Companies doors and always getting the same treatment. After about a year of that , they decided to push our way into the recording field at any cost. (whish turned out to be real costly).

While AUDITIONING in a club on ST. CHARLES AVE here in NEW ORLEANS, a man came to the bandstand and just stood there with out saying a word. After 30 minutes had passed ,he asked for Al White and introduced himself as CARLTON J. BENNETT and said he was interested in forming a Recording company, but didn't know too much about the business, so him and Al White became close friends and business partners and formed what is now known as WORLD WIDE RECORDS AND SEMINOLE PUDLISHERS, now located in HOLLYWOOD, CALIF. Mr BENNETT LEFT AND WENT TO CALIFORNIA, mean while the band was beginning to get jobs on the road and had to stay behind and play shows.

te keep tog ether.

After about a year, AL came in centack with a man named Mr. HENRY R. HINES who at the time was a very sucessful home builder and decided to devote his time seley to the music Industry. He in turn formed LYNN'S PRODUCTIONS and immediately begun to get talent for the company. He spent a lot of time and money on trips te various cities trying to lease this talent. Meanwhile the band was the backbone of the company. Much effort was put forth to publicize the band and keep them on the read as they was getting in demand for a let of colleges and schools throught the country. S.A.E. FRATERNITY AT TULANE UNIVERSITY IN NEW ORLEANS, LA IS an Ardent admirer of the HI*LITERS and one of its biggest beesters.

Men like Mr. MILTON BARNES OF HATTIESBURG, MISS., Mr TOM COUCH OF PRICHARD, ALA. MR. B.B. JOHNSON OF MERIDIAN, MISS., MR RUEBEN HUGHES OF MOBILE, ALA. and numerous PROMOTERS around the country are to be commended for their EFFORT in making the band what it is TODAY.
