

GOSPEL SONGS

PRAISE YE THE LORD. PRAISE GOD IN HIS SANCTUARY. PRAISE HIM IN THE FIRMAMENT OF HIS POWER. PRAISE HIM FOR HIS MIGHTY ACTS. PRAISE HIM ACCORDING TO HIS EXCELLENT GREATNESS. PRAISE HIM WITH THE SOUND OF THE TRUMPET. PRAISE HIM WITH THE PSALTERY AND HARP. PRAISE HIM WITH THE TIMBREL AND DANCE: PRAISE HIM WITH STRINGED INSTRUMENTS AND ORGANS. PRAISE HIM UPON THE LOW CYMBALS: PRAISE HIM UPON THE HIGH SOUNDING CYMBALS. LET EVERY THING THAT HATH BREATH PRAISE THE LORD. PRAISE YE THE LORD.

sung by THE MISSIONARY QUINTET

DRY BONES

Well, Ezekiel saw the wheels a-rolling,
(It was a great big wheel!)
Oh, Lord! It was a-turning over.
Ezekiel saw the wheels a-rolling,
Way in the middle of the air.

Great God Almighty! The Bleeding Lamb!
God called Ezekiel to The Promised Land.
The Bible declare and The Book don't lie,
Ezekiel was dyin' but he didn't know how.

Ezekiel saw a wheel turning over in the air,
A great big wheel, a little bit of wheel,
With the wheel turning a great big wheel,
Wheel within wheel turning over in the air.

Ezekiel cried out!

"O, Bones, Dry Bones are walking,
Great God Almighty! the Dry Bones are talking!
Bones! Bones! Bones! Bones you hear me!
Oh, Bones, you hear the word of the Lord!"

Your toe and your foot bone join together
And your foot and your ankle bone join on.
Your ankle and your leg bone join together
And your leg and your knee bone join on.
Your knee and your thigh bone join together
And your thigh and your hip bone join on.

Ezekiel saw the wheels a-rolling,
etc.

Great God!

The finger and your hand bone join together
And your hand and your wrist bone join on.
Your wrist and your arm bone join together
And your arm and your 'bow bone join on.
Your 'bow and your muscle bone join together
And your muscle and your shoulder bone join on.
Your shoulder and your collar bone join together
And your collar and your neck bone join on.
Your neck and your jaw bone join together
And your jaw and your skull bone join on.

Ezekiel saw the wheels a-rolling,
etc.

Well, Great God Almighty! The Bleeding Lamb!
God called Ezekiel the Son of Man.
Go and prophesize - Ezekiel went on bending knees.
The Bible says he prayed in earnest prayer.

Ezekiel cried out!

"O, Bones! O, Bones! O, Bones!
I'm rejecting these Bones from the skull to the toe!"

The skull and the jaw bone join together
And your jaw and your neck bone drop down.

Your neck and your collar bone join together
And your collar and your shoulder bone let go.
Your shoulder and your muscle bone join together
And your muscle and your 'bow bone drop down.
Your 'bow and your arm bone join together
And your arm and your wrist bone drop down.
Your wrist and your hand bone join together
And your hand and your finger bone squared off.

Ezekiel saw the wheels a-rolling,
etc.

The hip and the thigh bone join together
And the thigh and the knee bone drop down.
The knee and the leg bone join together
And your leg and your ankle bone drop down.
Your ankle and your foot bone join together
And your foot and your toe bone kick off.

Ezekiel saw the wheels a-rolling,
etc.

When you cause your jaw bone begins to talk,
Your shoulder your collar bone begin to move,
Your foot and your leg bone begin to walk,
Now they all get together at God's command.
Walking and talking like a natural man.

They going to walk and talk, them Dry Bones!
Oh! They going to walk and talk, them Dry Bones!
They going to walk and talk, them Dry Bones!
I hear the word of the Lord.

ON THIS SIDE OF JORDAN

Well, then on this side of Jordan, Jordan,
Pillow seems to roll, Hallelujah!
Rolling down, coming down to
meet my dying soul.

If you don't believe I've been redeemed,
Follow me down by Jordan's stream,
If you don't believe I've been baptized,
Take me over by Jordan's side.

Well, then on this side of Jordan, Jordan,
etc.

Well, now one of these days at twelve o'clock,
Good old world is going to really rock,
Hitch on my pants, my banjos ring,
I'm going to fly, and they're going to sing.

Well, then on this side of Jordan, Jordan,
etc.

IN THAT NEW JERUSALEM

In that new Jerusalem, my Lord!
In that new Jerusalem.

Well, when them saints go marching in, my Lord!
In that new Jerusalem.

Going to walk them golden streets, my Lord!
In that new Jerusalem.

When the sun refuse to shine, my Lord!
In that new Jerusalem.

Well, when the moon drift away in blood, my Lord!
In that new Jerusalem.

In that new Jerusalem, my Lord!
In that new Jerusalem.

LET THE CHURCH ROLL ON

Let the church roll on, Oh my Lord!
Let the church roll on, Oh my Lord!
Let the church roll on, Oh Lord!
Let the church roll on,

If the preacher in the church, Oh my Lord!
And he doesn't do right, what shall we do?
Pay him off and let him go,
And let the church roll on,

Let the church roll on, Oh my Lord!
etc.

If the deacon in church, Oh my Lord!
And he doesn't do right, what shall we do?
Take him off the deacon board,
And let the church roll on,

Let the church roll on, Oh my Lord!
etc.

If the members in the church, Oh my Lord!
And they don't do right, what shall we do?
Put them out and get some more,
And let the church roll on,

Let the church roll on, Oh my Lord!
etc.

If the devil in the church, Oh my Lord!
And he doesn't do right, what shall we do?
Take your foot and kick him out,
And let the church roll on.

Let the church roll on, Oh my Lord!
etc.

MY LORD DID DELIVER

Well, my Lord did deliver,
Yes, yes, He did deliver,
And I know he will deliver me.

Look, look way over yonder,
Yes, yes, He did deliver,
And I know he will deliver me.

He delivered Daniel from the lion's den,
My Lord did deliver,
He delivered Paul and Silas of all their sins
And I know he will deliver me.

My Lord did deliver,
Yes, yes, He did deliver,
And I know he will deliver me.

I GOT A HOME IN THAT ROCK

I got a home in that rock, don't you see,
Between the earth and sky, I can hear my Saviour cry,
You better get a home in that rock, don't you see.

Rich man died he's lived so well, don't you see,
When he died he had a home in hell,
You better get a home in that rock don't you see.

Poor man 'lizabeth was clothed in rags, don't you see,
When he died he had a home on high,
You better get a home in that rock, don't you see.

God gave Noah the rainbow sign, don't you see,
No more water but fire next time,
You better get a home in that rock don't you see.

I got a home in that rock, don't you see,
Between the earth and sky, I can hear my Saviour cry,
You better get a home in that rock, don't you see.

I'VE GOT JESUS ON MY MIND

Well, I've got Jesus on my mind,
Satan left behind,
I'm going to walk through the valley
In the shadow of death
With Jesus on my mind.

THAT OLD TIME RELIGION

Give me that old time religion,
It's good enough for me.

It was good for my dear father,
It's good enough for me.

It was good for my dear mother,
It's good enough for me.

It was good for Paul and Silas,
It's good enough for me.

It will take us all to heaven,
It's good enough for me.

CLIMBING UP THE MOUNTAIN

Climbing up the mountain, children,
Coming for to stay,
If I never more see you again,
I'll meet you at the judgement day.

Daniel in the lion's den, Hallelujah!
He went there to pray.
'Lizah came down and locked the lion's jaw,
And I'm sure it was a mighty day.

Climbing up the mountain, children,
Coming for to stay,
If I never more see you again,
I'll meet you at the judgement day.

Hebrew children in the fire burning,
They went there to pray,
'Lizah came down and banked the fire,
And I'm sure it was a mighty day.

Climbing up the mountain, children,
Coming for to stay,
If I never more see you again,
I'll meet you at the judgement day.
