DESCRIPTIVE NOTES ARE INSIDE POCKET

The title Kingdom Come came about as a result of Vivian and Cha-Cha thinking one night about this Album. How it would fit into their lives and relate to other people's. I thought this music would dance and talk to God and people at the same time. And I hope this title will help Cha-Cha's Image and other people as well. He would like to dedicate this album to our newborn baby. Cha-Cha would like to thank each and all the musicians for their help with these songs.
