Cead Mile Failte (A Hundred Thousand Welcomes)—that's what you'll receive when you visit Jury's Irish Cabaret. The unsurpassed comedy of the Company's storytellers, the music of Uilleann pipes, banjos, traditional fiddlers, Irish tenors, sopranos, harpists and talented young dancers are Ireland's greatest gift to America since St. Patrick's Day!

Visitors have seen Jury's Cabaret in Dublin's famed Jury's Hotel since the Company's founding in 1963 and have taken home tales of delight about this fresh, exciting and unique entertainment. As a result the Company has been invited to visit Sydney, Tokyo, Amsterdam, London, Paris, New York City and numerous other international centers of entertainment.

This is a very special show filled with the warmth, the love, the humor and music of all of Ireland. Jury's Irish Cabaret invites you to go with them on a visit to the enchanted "Emerald" Isle captured on this disc for your everlasting pleasure.
