MAMA TRIED *Mark Wenner* and the *BelAirs*

A man with a goatee and a brown leather jacket is sitting on a chrome motorcycle. He is looking towards the camera with a slight smile. The motorcycle is parked on a street next to a sidewalk. In the background, there are trees, a street sign that says "NO PARKING ANY TIME", and a house. The overall scene is a classic suburban street.

Dave Pruitt - Backup Vocals/Guitars

Dick Pruitt - Backup Vocals/Bass
