Jack Hannah –

In my humble opinion, “Fifteen Years / 1987-2002, is the “Best of the Sons”. These past fifteen years have yielded for us the most exciting episode any one could have hoped to experience. We boast the greatest fans any one could ever wish for. We have entertained everywhere from little intimate groups to large concert halls and festivals. Winning multiple awards for my original compositions has been gratifying, but nothing has been more significant for me than being blessed with the opportunity to sing with my brother, Joe, and his son, my nephew Lon, and most recently with Bill Thornbury. The opportunity to share this experience with them has been the “frosting” on my already full & exciting life. I especially want to thank my wonderful wife, Linda, who has been my inspiration and encourager in this great adventure. Finally, I want to thank the Lord Jesus Christ. Without Him, none of this would have been possible.

RICHARD CHON, JACK AND JOE HANNAH, BILL THORNBURY

Joe Hannah –

I must thank the fans; it never ceases to amaze me how far some of you folks will travel to see these old cowboys sing a few tunes.. THANK YOU! Special thanks to my best friend, my wife Kay. Thank you for all that you have done in these past 15 years. You help me to be my best everyday.

Lon Hannah –

Thanks to the Fans! From Antioch, California to Montauk, NY (on the eastern tip of Long Island), it has been my great honor and privilege to perform for you. Finally, I must not forget my support team, my wife Susan, and my boys, Jeff and Mark, Thank You.
