

Compare and Contrast Listening Template

Name: _____

			Comparing these interpretations, how are they similar or different?
Music Elements (what instruments do you hear? Texture? Do you notice anything related to rhythm, melody, or harmony? Form?)			
Expressive Qualities (what dynamics are used? Do you notice anything about the tempo and/or vocal timbre/style?)			
Meaning/Purpose/Context (what is the intent of the performers within this performance context? What message/story do the lyrics tell? What language is used? What is the role of audience members?)
